Buy a new cultivator and cultivate the corn as It should be. Do the job right. Don't take a chance with the old worn out cultivator. The John Deere and International cultivators always please. We also sell the Tower surface cultivator, that has proven itself a great corn raiser. Try one if the ground gets dry.

Our Lawn Mowers run easy and do their work well. Keep your lawn looking nice and do it Clean- Up Week.

Time for yor to install a New Perfection Oil Cook Stove in your home for the summer, and a good Solid Oak Herrick Refrigerator to save you ice and keep everything cool and sanitary.
